## **GENERAL PROVISIONS**

SCORE reserves the right to reject any and all Proposals received as a result of this RFP. In addition, SCORE may award a contract to the firm offering the best level of services in the opinion of SCORE and not necessarily to the lowest cost. SCORE may further negotiate terms with any firm who provides a response.

1. **Modification or Withdrawal of Proposal:** Any Proposal may be modified or withdrawn at any time prior to the closing deadline, provided that a written request is received by the SCORE Administrator prior to the closing date. The withdrawal of a Proposal will not prejudice the right of a Proposer to submit a new proposal.
2. **Protests of Specifications:** Protests of the RFP specifications may be made only if a term or condition of the RFP violates applicable law. Protests of Specifications must be received in writing prior to the date and time indicated in the Schedule of Events, at the email address

listed under General Information. Protests of the RFP Specifications must include the reason for the protest and any proposed changes to the requirements.

3. **Requests for Clarification and Requests for Change:** Proposers may submit questions regarding the specifications of the RFP. Questions must be received prior to the date and time indicated in the Schedule of Events at the email address listed under General Information. Requests for changes must include the reason for the change and any recommended modifications to the RFP requirements.

SCORE will consider all requested changes and, if appropriate, amend the RFP. SCORE will provide reasonable notice of its decision to all Proposers.

4. **Addenda:** If any part of this RFP is amended, addenda will be provided on the SCORE website (<https://scorejpa.org/>). Proposers are exclusively responsible to checking the website to determine whether any addenda have been issued. **By submitting a Proposal, each Proposer thereby agrees that it accepts all risks and waives all claims associated with or related to its failure to obtain any addendum or addendum information.**
5. **Post-Selection Review and Protest of Award:** SCORE will name the successful Proposer in a “Notice of Intent to Award”. Identification of the successful Proposer is procedural only and creates no right that the named Proposer be awarded the contract. Competing Proposers will be notified in writing of the selection and shall be given seven (7) calendar days from the date on the “Notice of Intent to Award” to file a written protest of award.

SCORE will timely respond to any protests after receipt. The decision shall be final.

6. **Potential Selection of Finalists.** After the initial evaluation of Proposals, SCORE, at its sole discretion, may:
  - a. Issue a Notice of Intent to Award based on the SCORE and Qualification section provided in this RFP;
  - b. Select one or more Proposer(s) as designated finalists based on the Scope and Qualifications section provided in this RFP (“Finalists”). Finalists may be invited to participate in oral interviews. These firms should be prepared to include in the interview the proposed personnel who the firms plans to utilize to provide these services to SCORE.

- c. Proposers shall not materially alter the content or terms of the original Proposal. If the Administrator requests presentations to be made by the Finalists, SCORE’s administrator will schedule the time and location for the presentations. **Note:** Oral presentations are at the discretion of SCORE Administrator and may not be conducted; therefore, **written Proposals should be complete.**

If Finalists are selected, Proposers not selected as Finalists will be notified in writing of the Finalist selections. Proposers not selected as Finalists will be given seven (7) calendar days from the date on the notice of Finalist selection to file a written protest. Any protest must be received in writing at SCORE’s administrators email address listed in the General Information section of this RFP document.

**Acceptance of Contractual Requirements:** Failure of the selected Proposer to execute the contract and deliver the required insurance certificates within ten (10) calendar days after notification of an award may result in cancellation of the award. This time period may be extended at the option of SCORE.

Contractor shall submit the following documents:

- An Agreement for Property Appraisal services.
  - A valid business license.
  - A completed Internal Revenue Form W-9.
  - Evidence of the required insurance coverage as set forth in Appendix A.
7. **Indemnification:** Contractor shall hold harmless, defend and indemnify SCORE and its officers, officials, employees and volunteers from and against all claims, damages, losses and expenses including attorney fees arising out of the work described herein, caused in whole or in part by any negligent act or omission of the contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, except where caused by the sole negligence or willful misconduct of SCORE.
  8. **Public Records:** Proposals are deemed confidential until the “Notice of Intent to Award” is issued. This RFP and one copy of each original Proposal received in response to it, together with copies of all documents pertaining to the award of a contract, will be kept and made a part of a file or record which will be open to public inspection. If a Proposal contains any information that is considered a “**TRADE SECRET**” or “**CONFIDENTIAL**”, Proposer must so indicate by delineating each section of the Proposal with the heading “Confidential”. However, Proposers should understand that SCORE has reservations as to whether any such information is exempt from disclosure under the California Public Records Act (Government

Code Section 6250, *et seq.*) SCORE will notify a Proposer if it receives a request for release of information identified as confidential by Proposer. By submitting its Proposal, Proposer agrees that SCORE will not be held liable for releasing information pursuant to a Public Records Act request.

If any information is set apart and clearly marked "confidential" when it is provided to SCORE, SCORE will give notice to the Proposer of any request for the disclosure of such information. Proposers will then have 5 days from its receipt of such notice to enter into an agreement with SCORE providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by SCORE in, any legal action to compel the disclosure of such information under the California Public Records Act. Proposers will have sole responsibility for defense of the designation of such information.

9. **Investigation of References:** SCORE reserves the right to, and may at its sole discretion, investigate any and/or all references in addition to supplied references and investigate past performance of any Proposer with respect to its successful performance of similar services, compliance with specifications and contractual obligations, completion or delivery of a project on schedule, and lawful payment of subcontractors and employees. Any decision made by SCORE in regard to the use of references, including restricting the consideration of references to only Finalists, will not be considered grounds for protest.
10. **RFP Preparation Costs:** Cost of developing the proposal, attendance at an interview (if requested by SCORE) or any other such costs are entirely the responsibility of the Proposer and will not be reimbursed by SCORE. By submitting a Proposal, each Proposer thereby accepts all risks, and waives all claims, associated with or related to the costs it incurs in Proposal preparation, submission, and participation in the solicitation and selection process.
11. **Clarification and Clarity:** SCORE reserves the right to seek clarification of each Proposal or to make an award without further discussion of Proposals received. Therefore, it is important that each Proposal initially be submitted in the most complete, clear, and favorable manner possible.
12. **Cancellation:** SCORE reserves the right to cancel or postpone this RFP at any time for any reason, or to award no contract.
13. **Proposal Terms:** All Proposals, including any price quotations, shall be valid and firm through the period of contract execution.
14. **Usage:** It is the intention of SCORE to utilize the services of the successful Proposer(s) to provide services as outlined in the Scope of Work section for each service requested.

15. **Review for Responsiveness:** Upon receipt of all Proposals, SCORE’s administrative staff will determine the responsiveness of all Proposals. If a Proposal is incomplete or unresponsive in part or in whole it may be rejected and, if rejected, will not be submitted for evaluation. SCORE reserves the right to determine if an inadvertent error is solely clerical or is a minor informality which may be waived when determining if an error is grounds for disqualifying a Proposal. The Proposer’s contact person identified in the Proposal will be notified by SCORE to communicate the reason(s) the Proposal is non-responsive. One copy of the Proposal will be archived.
16. **Rejections and Withdrawals.** SCORE reserves the right to reject any or all Proposals or to withdraw any item from the award.
17. **RFP Incorporated into Contract.** This RFP will become part of the final contract between SCORE and the selected Proposer (also referred to herein as the “Contractor”). The Contractor will be bound to perform according to the terms of this RFP and their Proposal.
18. **Communication Blackout Period.** Except as called for in this RFP, Proposers may not communicate about this RFP with any Board Members of SCORE or SCORE’s administration staff until the successful Proposer is selected and all protests, if any, have been resolved. The contact person designated by the “General Information” section of this RFP is exempted from this blackout period with regard to SCORE staff. If any Proposer initiates or continues contact in violation of this provision, SCORE may, in its sole discretion, reject that Proposer’s Proposal and remove it from consideration for award of a contract under this RFP.
19. **Notice of Interest.** All Proposers that notify the SCORE Administrator of their interest will receive the same supplementary information that may be provided after issuing this RFP. Notice of interest is not a mandatory requirement for submission of a Proposal.
20. **Prohibition on Commissions.** SCORE will contract directly with organizations capable of performing the requirements of this RFP. Contractors must be represented directly. Participation by brokers or commissioned agents will not be allowed.
21. **Ownership of Proposals.** All Proposals in response to this RFP are the sole property of SCORE and subject to the provisions of the California Public Records Act (Government Code Section 6250, et seq).
22. **Clerical Errors in Awards.** SCORE reserves the right to correct inaccurate awards resulting from its clerical errors.

**23. Rejection of Qualified Proposals.** Proposals may be rejected in whole or in part if they limit or modify any of the terms and conditions and/or specifications of the RFP. Any terms contained in Proposals that conflict with or modify the terms of this RFP are expressly rejected unless specifically adopted in writing by SCORE.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to SCORE.

### Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

#### *Additional Insured Status*

**SCORE, its members, officers, officials, employees, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).

Any insurance or self-insurance maintained by SCORE, its members, officers, officials, employees, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

#### ***Notice of Cancellation***

Each insurance policy required above shall state that **coverage shall not be canceled, except with notice to SCORE.**

#### ***Waiver of Subrogation***

Consultant hereby grants to Entity a waiver of any right to subrogation which any insurer of said Consultant may acquire against SCORE or its members by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not SCORE has received a waiver of subrogation endorsement from the insurer.

#### ***Self-Insured Retentions***

Self-insured retentions must be declared to and approved by SCORE. SCORE may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Entity.

#### ***Acceptability of Insurers***

Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to SCORE.

#### ***Claims Made Policies***

If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided ***for at least five (5) years after completion of the contract of work.***
3. If coverage is canceled or non-renewed, and not ***replaced with another claims-made policy form with a Retroactive Date*** prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of ***five (5) years*** after completion of contract work.

***Verification of Coverage***

Consultant shall furnish SCORE with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) to Entity before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. SCORE reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

***Subcontractors***

Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that Entity is an additional insured on insurance required from subcontractors.

***Special Risks or Circumstances***

Entity reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

**Employee Dishonesty:** \$1,000,000 to include comprehensive employee dishonesty, disappearance, theft, and forgery or alteration coverage in a form and issued by an insurance or bonding company or companies acceptable to SCORE. Such insurance shall not have a deductible greater than \$1,000 any one (1) claim. Upon execution of an agreement, the Contractor shall provide SCORE with a certificate of insurance evidencing that such insurance has been obtained and is in full force and effect. Such coverage shall provide thirty (30) calendar days notice of intent to cancel or non-renew to SCORE.
